MEDITATION FELLOWSHIP

Do you want to meditate but you don't know how? Is your life confused? Is your prayer life non-existent or noisy? Do you want to become closer to Christ? Christian Meditation is an ancient tradition brought into the new church. To begin our study in meditation, we begin on our knees as Christ taught us to meditate when we pray. To meditate is to enter the mind of Christ in freely choosing to realize our oneness with the Christ the Word's oneness with the Father. Meditation practice is a way of opening ourselves to this graced realization of this oneness with God that is the very person that we are. Please join us on Wednesdays at 10am starting August 18th. Come dressed comfortably.

The Adult Reflection Guide is a workbook or journal for adults that allows for self-guided study of the practice. This guide engages adults through study, reflection questions, space for writing or drawing, and suggestions for practicing the practice. Included in this piece is the foundational essay, which dives even deeper into the biblical scholarship of each practice. This piece works well for individual study or for small group study.

Following Jesus is something all of us are called to do every day of our lives. Following Jesus is an invitation to discipleship, an ongoing practice that we accept again and again. This unit studies mostly New Testament passages from the Bible, asking what it means when we choose to follow Jesus with every decision we make. Learn how following Jesus translates to loving God and neighbor and bearing witness to God's love and justice in our everyday world. Let this practice become the lens through which you see the world as you explore this unit, Follow Jesus.
