150 Year Celebration Trivia

Our elevator was first utilized in 1994. It has provided many years of service to those with mobility issues; to those moving tables or chairs or large quantities of food for our soup kitchen or funerals or other dinners; and even those moving a casket to our chapel on the second floor for a funeral service. Now, however, it is no longer dependable and needs to be replaced at a cost of \$150,000. The Smock Senior Ministry has contributed \$50,000, but we need to contribute the rest of the cost so that we can continue to be a congregation known to "Welcome, Worship, Celebrate and Serve". Can you help?

Children in Need flowers still have some dates to fill and we would like to fill them soon:

July 31st and October 2nd The cost is \$35.00. The money goes into the Children In Need Fund, which is used to help families to pay things like water bills, NIPSCO, etc. To qualify for these funds, there must be children living in the home. We have other dates later in the year and will post them when it gets closer to those dates. Any questions contact the office or speak with Penny Russell. Thank you
